

# Lead Pathways Designation

**N**IET's training and support for teachers seeking the Lead Professional Educator Designation empowers participants to grow as teacher leaders, leverage instructional expertise, make data-driven decisions, and foster collaborative partnerships. Teachers attend and engage in four core teacher leadership-focused virtual sessions and receive an on-site support visit.

## Our session includes:

- Building Foundational Leadership Structures for Teachers
- Leveraging Instructional Expertise for Continuous Improvement
- Using High-Quality Data to Drive Decision Making
- Facilitating Growth for Others Through Collaborative Partnerships
