

How NIET Works With Partners

School and District Partnerships

Support is ...

- Rooted in the TAP System's core components.
- Customized based on specific context to create a continuum of learning.
- Built upon a strengths-based needs assessment to develop your talent and capacity.

State Partnerships

- Rubric and observation systems
- Demonstration/"Bubble" sessions
- Support for state and regional staff
- Statewide initiative rollout trainings

Educator Prep Partnerships

- Rubric and observation system for aspiring teachers
- Training and coaching for aspiring teachers, clinical supervisors, and mentor teachers
- Support for residency and induction programs

3.5 million students.

350,000 educators.

35,000 teacher leaders.

11,000 schools.

Over **25 years** of impact.
