

# Ascension Parish, Louisiana

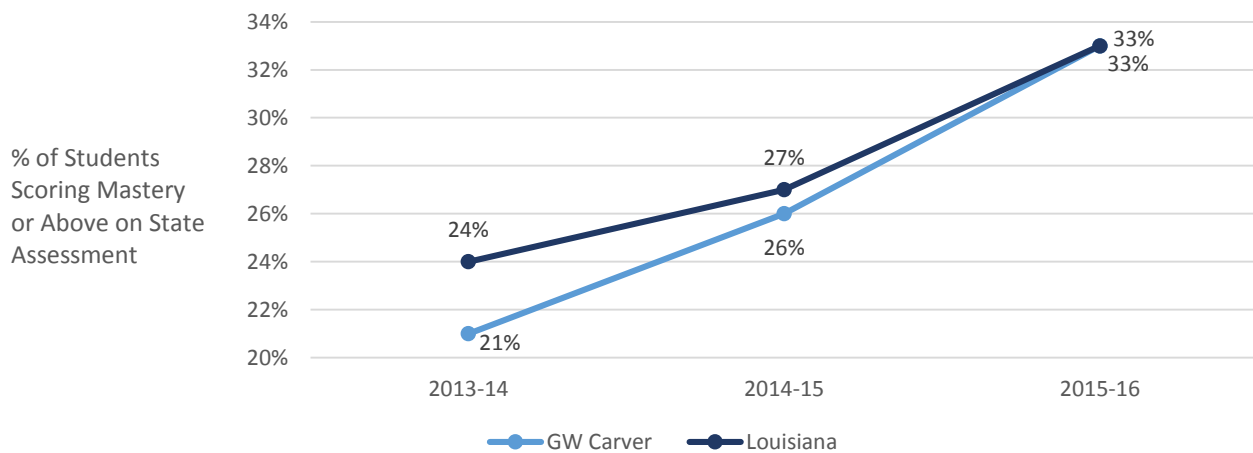

Ascension Parish, headquartered in Donaldsonville, Louisiana, began implementing TAP™: *The System for Teacher and Student Advancement* in 2007. Ascension Parish is currently serving over 20,000 grade K-12 students across 27 schools and four other programs.

Some notable academic successes are presented below.

## Notable Academic Successes

The percent of GW Carver students performing at mastery and above increased by 12% from 2013-14 to 2015-16, closing the achievement gap with the state.

In 2014-15 and 2015-16, the percent of economically disadvantage students, students with disabilities, and minority students performing at mastery and above at GW Carver was consistently higher than the percent at the state level. Furthermore, the gains made among these groups of students over this period were higher at GW Carver than at the state level.
