

IMPACTING MORE THAN **250,000 EDUCATORS**
AND **2.5 MILLION STUDENTS** OVER 20 YEARS

Over the past two decades, the National Institute for Excellence in Teaching (NIET) has helped our nation's schools and districts earn **historic results in student achievement.**

Knowing that teacher quality is the single biggest in-school factor for student success, **NIET builds educator excellence** through proven strategies that increase opportunities for all students.

Our partnership with NIET is a game-changer. NIET has empowered our educators to give their very best and our students to do their best.

Pat Mapes, Perry Township Schools Superintendent

What We Do

NIET services are structured around our core belief that **EVERY child deserves an effective educator, in EVERY classroom, EVERY day.**

- **School Improvement Solutions** foster a culture where educators and students excel
- **Teacher and Leader Development** helps to identify, equip and empower teacher, school and system leaders to drive instruction and growth
- **The TAP System for Teacher and Student Advancement** attracts, develops, motivates and retains high-quality educators
- **Rubric and Observation Systems** define effective instruction and support teachers in refining their craft
- **Educator Preparation Partnerships** prepare the next generation of effective teachers

Where We Work

- 8,500 public, private and charter schools
- 1,000 urban, rural, suburban and tribal districts across 20 states
- 8 states use the NIET Teaching Standards Rubric on a statewide scale
- 50 educator preparation programs at colleges and universities

Partner With Us

From intensive, on-the-ground school and district solutions to statewide Instructional frameworks, NIET is honored to partner with many state, district, school and university leaders to build educator excellence that leads to improved student outcomes.
